

FOR IMMEDIATE RELEASE

Nightlight Foundation Receives \$20,000 Grant from the Gerry Lenfest Legacy Fund

Announces Third Annual Flagship Fundraiser to be Held April 27, 2019

Erdenheim, PA, February 12, 2019 – The Nightlight Foundation is pleased to announce it has been awarded a \$20,000 grant from the Gerry Lenfest Legacy Fund of The Philadelphia Foundation. The grant will go toward Nightlight Foundation’s effort to support individuals with autism through affordable housing, continuing education and employment opportunities at Nightlight Ice Cream in Erdenheim, PA.

“We are extremely thankful to the Gerry Lenfest Legacy Fund for their kindness and support,” said Alex Viele, President of Nightlight Foundation. “These funds will go a long way toward strengthening our vocational programs for individuals affected with Autism Spectrum Disorder, helping us to grow and serve many more families in need.”

The Gerry Lenfest Legacy Fund joins several other prominent Philadelphia philanthropic institutions that have recently donated to Nightlight Foundation, including, the Bray Family Foundation, Lubert Family Foundation, Timothy Maguire Foundation, and the Phillies Charites.

Nightlight Foundation will be hosting its 3rd Annual Fundraiser on Saturday April 27, 2019, from 7-10pm at MaGerks Pub in Ft. Washington, PA. Anyone interested in buying tickets for the event, or donating raffle items, can go to www.NightlightFoundation.com for additional information.

About Nightlight Foundation

Nightlight Foundation is a 501(c)3 non-profit and a registered Pennsylvania Charitable Organization designed to address life-long living choices that support individuals with autism through affordable housing, continuing education and vocational options within their own community. Nightlight Ice Cream, a wholly-owned subsidiary of Nightlight Foundation, generates funds for Nightlight Foundation and provides employment opportunities for individuals affected with Autism Spectrum Disorder (ASD).
